MEMORANDUM FOR: Mr. [REDACTED] Assistant to the Director

25X1A5a1

SUBJECT : Comments on Proposed Contract Between
Mr. [REDACTED] and the Office of Training

In connection with my memorandum of 11 August regarding the contract between Mr. [REDACTED] and the Office of Training, I would like to state that as a corollary of such approval, it might be advisable to attempt to limit the practice of having responsible officials of the Agency enter into "informal" agreements of this sort, in advance of formal approval of contracts, when required, since the net effect of such informal agreements is to limit the powers of the reviewing authorities.
